1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I live in Tega Cay. My taxes support public buildings that rely on this water company. My neighbors depend on this water company. My community is unfortunately tied to this company.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Rates have been increased in the past, but improvements have not been made. Where is the \$ going over all the years? It appears that bad management has bled the company of funds that should have been maintaining the system, and now the bad management wants us to pay more.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *
